Dear All,

We were happy to have received approx. 100 applications, very interesting proposals coming from across Europe. The selection to choose the best proposals was not an easy task.

The project consortium and Evaluation Jury has selected the following winning proposals for **Lot 2 grants**:

Organisation	Title of the project	Country
Diversity Development Group	Localizing SDGs through Capacity Building (LoCaB)	Lithuania
Pathfinders club Slovenia	Pathfinders Fighting Inequalities	Slovenia
Asociación " Proyecto Regeneración: La Bolina"	Refugee Week: Radically thinking as a species.	Spain

We would like to thank all the applicants for their contributions and encourage applying in the next editions! Please also follow our activities through the [SDG Watch Europe newsletter](#) and through #FightInequalities on our social media channels, by joining our actions or participating in our capacity building activities in the project countries (See [Our team](#)).
